

Fall 2022 Mid-Semester Newsletter

RIPON COLLEGE
EPSILON LAMBDA

Message from the Editor

Chris Boehmke

I hope everyone reading this has had a fantastic Fall season so far. We are back today with our mid-semester newsletter to let everyone know what we have been up to. We will be keeping this one shorter to be used as a further connection between our extremely supportive Alumni and our currently active brothers.

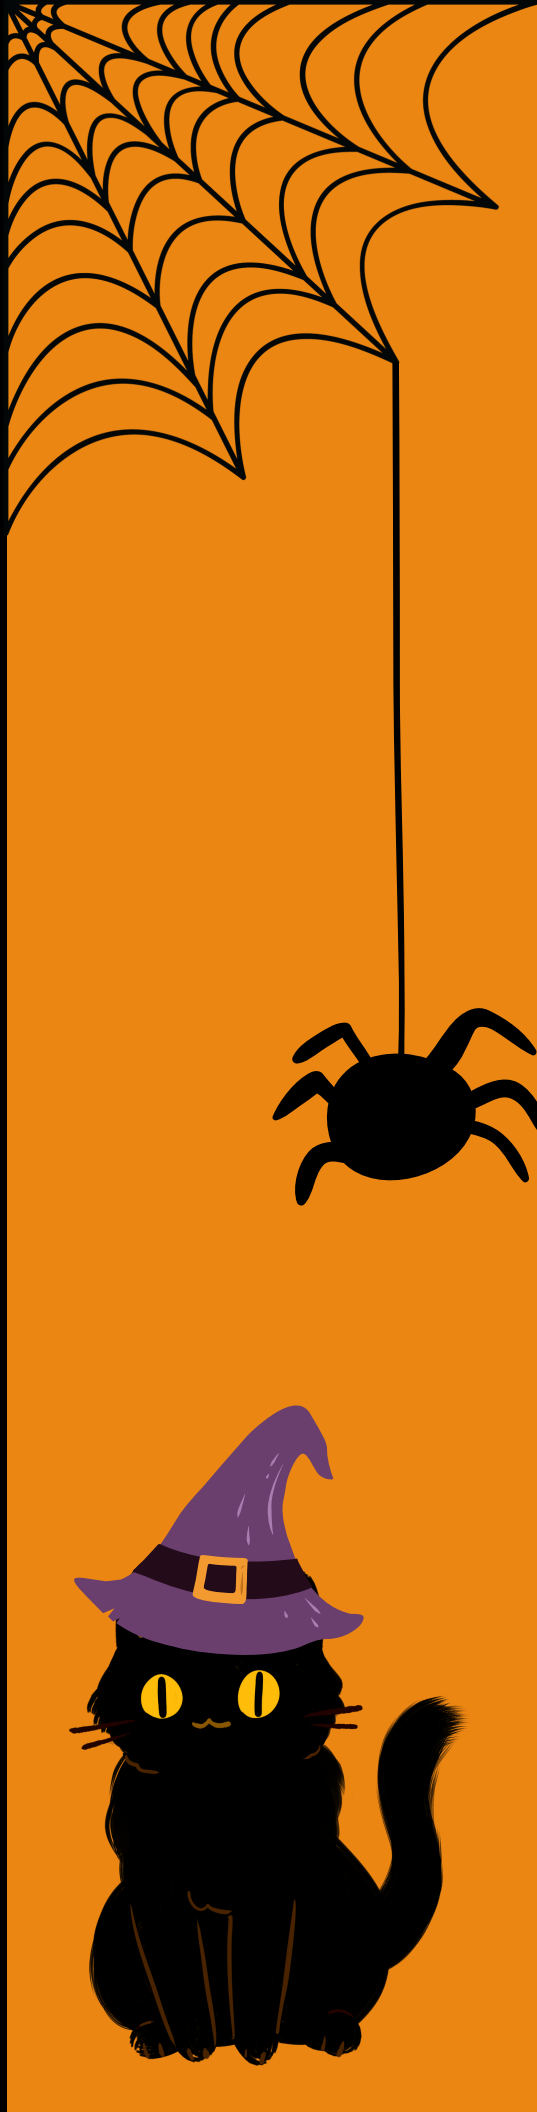

Carrying a spooky theme throughout, we take a look into several activities partaken in this last month and a half including insights on the Men's Soccer Team, various recruiting events, and other updates!

We thank you for your continuous engagement with us. The Epsilon Lambda Chapter, as a whole, recognizes how important your role is in bringing us to where we are today. If it was not for the esteemed alumni of this chapter, none of us would have the opportunity to continue to strive to raise the standards we set for ourselves.

Table of Contents

- Steaks & Sigs 2
- Initiation 3
- Men's Soccer 4
- Mini Golf 5
- Movie Night 6
- Cornhole Classic 7
- Halloween Fun! 8
- Pictures 9

Steak & Sigs

Just a reminder the Epsilon Lambda Chapter looks forward to holding its' annual Steaks and Sigs. This will be taking place on Monday, November 28th.

We look forward to the good time we will have reconnecting with the Alumni who are available to join us this year!

Initiation

The Epsilon Lambda Chapter always looks forward to welcoming in new candidates to attempt to take on the journey of Sigma Chi.

As of right now we have set a tentative date of Saturday, February 25th for our Spring Initiation!

Men's Soccer

The Men's Soccer team wrapped up their regular season on Saturday. This capped off a terrific year as they went 4-2-2 in the conference.

This means they have clinched a spot in the Midwest Conference Tournament as they locked into 3rd place. These playoff games begin November 4th as the Men's team faces off against #2 Grinnell College in the semifinals. Make sure to show your support!

Mini Golf

Another recruiting event has taken place as the brothers set up a 9 hole course throughout several of our rooms.

This was open to all brothers and independent males interested in the fraternity. The final product of many of the holes was terrific and everyone had a great time with this unique event!

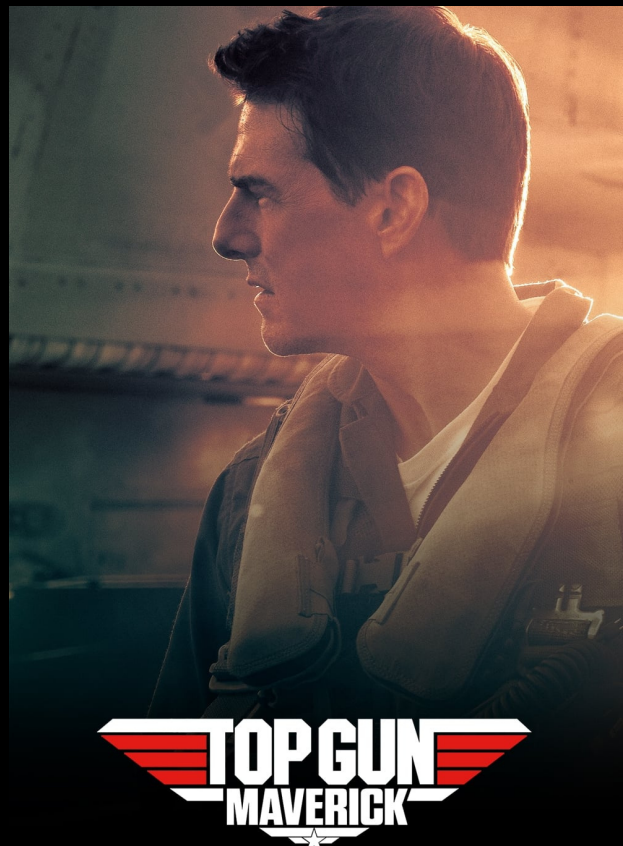

Movie Night

The second main recruitment event that has taken place since our last newsletter was a movie night. The brothers and interested independents had a very relaxing time watching Top Gun Maverick together.

This was used as a way to get to know those interested in being future Sigma Chi in a more personal manner.

Cornhole Classic

The Epsilon Lambda Chapter hosted its' annual Cornhole Classic this past week.

Our own brothers, Seth Beckman and Tim Geocaris, took home first place, representing the fraternity well. Attendance was great and all proceeds raised were donated to the Huntsman Foundation!

Halloween Fun

The brothers love their celebrations and Halloween is no exception. There were several fantastic costumes over the weekend ranging from Mario and Luigi all the way to Cosmo from Fairly OddParents!

Extra Pictures

Just some extra pictures of the brothers from the semester. Enjoy!

Happy Halloween!
