

MIDTERM REPORT

Epsilon Lambda chapter of the Sigma Chi Fraternity

GOT BAGS?

Our annual Cornhole Classic event raised \$425 in both tickets and donations. The event received sponsorships from several local businesses, and broke our own recent records for donations.

SWEETHEARTS

On October 4th, we announced Srivalli Paulson-Ihlenfeld (left) and Christina Seese (right) as our new Sweethearts. Here they're standing in front of our newly restored letters.

NEW PARAPHENALIA

In place of pre-pandemic weekend antics, some of our brothers and Sweethearts have spent their freetime painting new Sigma Chi paraphenalia.

SIG PRIDE

Some of the brothers repping our badge for the first Friday of the academic year.

ORDER OF OMEGA

Congratulations to Noah Fish for being initiated into Order of Omega!

I-F RELATIONS

Some of our brothers worked on InterFraternal Relations by attending Theta Chi's frisbee golf event.
